Hi Tina:

Can you please send me your current address so that I can make sure it is the address that I have on file with JPMorgan? JPMorgan sent out a new travel card to you one month before your card expired. Unless you moved and did not change your address with JPMorgan, you probably did not recognize that JPMorgan sent you a new Travel Card.

I will reorder you a new travel card today and you should receive it within the next 5-7 business days. The travel card will come in a plain white envelope, with a P.O. at the top left and with your address at the bottom right. So, in the next week, please start going through every piece of mail at your residence.

Please let me know if you have any further questions,

Thanks so much,
